## German Broadcast Hints at Fourth American Strike

Wednesday's Operation, Involving 850 to 1,000 Warplanes, Disclosed to Have Downed Total of 125 Enemy Aircraft

THIRTY-EIGHT U. S. SHIPS FAIL TO RETURN

London, March 9.—(P)—Berlin was attacked again today—for the fourth time in six days—by heavy bombers of the U. S. Eighth Air Force.

It was the second day in a row that the Fortresses and Liberators had hit the German capital, first attacked by American forces last Saturday and again set afire Monday.

Today's attack demonstrated the amazing reserve strength in equipment and the endurance of the Eighth Air Force crews.

Strong forces of fighters from the Eighth and Ninth Air Forces escorted the bombers.

Berlin has now been shaken by more than 30,000 tons of bombs since the first big RAF raid November 18.

In smashing furiously and continuously at the capital, the American forces have followed the pattern proved successful in earlier operations against Germany—never give Hitler's air force a chance to rest and recuperate.

## KNOX REPORTS VICTORIES FOR U. S. U-BOATS

Bag Announced by Secretary of Navy Includes One Large Tanker Loaded With Badly Needed Fuel

AREAS NOT REVEALED

Washington, March 9.—(P)—American submarines have sunk 16 more Japanese ships in enemy-controlled waters.

The big bag, announced today by the navy, included one large tanker which could have been loaded with badly-needed fuel for enemy bases.

The toll brought to 627 the number of Japanese ships sunk, probably sunk or damaged by submarine action alone.

Sinkings by other causes—airplanes and warships—boosts the total damage to Japanese shipping to 1,989 enemy vessels of all types.

Pursuant to policy, the navy communicates the latest sinkings did not report the areas in which the submarines operated.

However, our submarines are known to have been operating along the coastal waters of Japan itself.

In addition to the large tanker, other ships sunk by the far-ranging undersea craft included five transports and ten cargo vessels, all of which presumably were endeavoring to keep men and materials moving to bases scattered over the Pacific.

LIBERTY BELL WILL HAVE BOMB SHELTER

Philadelphia, March 9.—(P)—Workmen are digging up the soil around Independence Hall for the first time in the shrine's 212 year history.

Borings were made to determine the condition of the ground beneath the hall so that a bomb-proof shelter may be constructed for the Liberty Bell without endangering the structure.

Priorities for the vault were granted last May.

## Associated Press Bulletins

Buenos Aires, March 9.—(P)—The Argentine government lifted last night a ban imposed earlier this week on wireless reception of the Associated Press news report here.

Stockholm, March 9.—(P)—Finland has sent a revised reply to Russian armistice demands which may be a satisfactory basis for furthering the negotiations. It was strongly indicated here today.

Washington, March 9.—(P)—A senate decision on the long-pending compromise servicemen's absentee vote bill was delayed further today when Senator Connally (D-Tex.) announced he would not call it up until Monday because a number of interested senators are away from the capital.

Washington, March 9.—(P)—Influential bi-partisan backing assured clear sailing today for legislation to set up a special house committee to develop for this country a post-war military policy founded on the principle of compulsory military training.

Norristown, March 9.—(P)—The commonwealth sought today to disprove defense claims that blonde 44-year-old Helen M. Wucherer was temporarily insane from jealousy when she shot and fatally wounded her "model husband" last October 31.

Pittsfield, Mass., March 9.—(P)—The trial of John F. Noxon, Jr., 4-year-old corporation lawyer charged with murder in the electrocution death of his six-months-old mentally deficient child, ended in a mistrial today when Judge Abraham Pinanski suspended the trial because of the illness of a juror.

## Hobo King Complains Of Travel Conditions

Buffalo, N. Y., March 9.—(P)—Jeff Davis, king of the hoboes, has a complaint to make about traveling conditions.

He arrived here weary yesterday, having ridden in a de-luxe coach from Chicago.

"It was terrible, simply terrible," said Jeff. "The coach was either too hot or too cold. You couldn't get a seat—always gave mine to a soldier—and when you weren't standing you were sitting or lying in the aisle."

"Give me the good old days when a 'bo could ride the rods in comfort," he said.

## Gas Shortage Curtails Work In War Plants

Pittsburgh, March 9.—(P)—Operations of 500 western Pennsylvania industrial plants including 175 engaged in war production were curtailed today by a shortage of natural gas, Army Ordnance reported.

The cold wave which caused heavier home demands forced curtailments which ranged from a minor cut in some plants to a complete shutdown of others.

In addition, about 25 war-vital plants in West Virginia and Maryland—also in the Pittsburgh Ordnance district—were affected.

"The situation is serious," an Ordnance spokesman said, "and won't improve until the weather gets warmer."

Gas supplies to some war plants were cut as much as 60 per cent.

## PAROLE CONVICTS MAY BE INDUCTED IN ARMY

Harrisburg, March 9.—(P)—Recommendations for a change in Army regulations to permit parole of convicts directly from penal institutions into the Armed Forces will be drafted by a special committee and submitted to Secretary of War Stimson, Chairman Henry C. Hill of the State Parole Board announced today.

Hill said the committee will seek modification of present rules so that the State Parole Board can grant conditional commutations to prisoners, eligible for military service, with the expectation that they will be inducted when paroled.

Chaplin, also accused of Federal Mann Act and conspiracy charges involving Miss Berry, based his motion on a stipulation in which all parties agreed that if blood tests indicated the actor was not the child's father, the suit should be dismissed.

Judge Mosk, rejecting the motion, held that "the ends of justice will best be served by a full and fair trial of the issues." He voiced his determination to protect the rights of the infant, Carol Ann, unborn at the time the stipulation was entered into.

## Move To Restore Unity In Dem Ranks

By FRANCIS M. LE MAY

Washington, March 9.—(P)—The smoke of the peace pipe wafted up Pennsylvania avenue to Capitol Hill today as President Roosevelt's most trusted lieutenants sought to mend the breach between congress and the White House resulting from the tax bill battle.

What appeared to be a move to restore unity within the thinned Democratic ranks developed as a prelude to another struggle in the offing this time over continuing wartime price controls.

With the Republicans holding 210 house seats to 216 for Democrats, and some Democrats hostile to the administration, reports were going about that a bid might be made for bi-partisan support behind the administration's effort to prolong the present price control act, without extensive changes, for at least a year beyond the June 30 expiration date.

Notwithstanding all the maneuvering, a bitter battle seems inevitable.

## "On Threshold of Critical Offensives", Navy Chief Says

Washington, March 9.—(P)—Navy Secretary Knox said today that the Allies are "on the threshold of critical" offensives against the Axis which will dwarf all previous thrusts.

Thus, said Knox, this is the time for congress to assure the partners of the United States that the final blow will be struck. That can be done, he told the house foreign committee, by continuing the lend-lease act, which expires June 30. A three-year extension is being sought.

Appearing as the final witness at the committee hearings, Knox said "we are just now approaching the crisis" and if it had not been for lend-lease "we would not be approaching the decisive battles."

Knox revealed that, under lend-lease, the U. S. has transferred 1,400 ships to the Allies, most of them to the British, though title is retained and they are to be returned when the war ends. Four thousand naval aircraft also were provided.

He had special comment for the French and the Brazilians, in describing Allied cooperation. U. S. naval repair facilities have sent back into the war one French battleship, four cruisers, three destroyers, three submarines and six tankers. The carrier Bearn is now being conditioned for action, he added.

Brazil is conveying merchant ships and helping to protect South American sea lanes.

Cuba has been contributing to the escort task, also, he said. Reverse lend-lease doesn't compare in dollars with what the U. S. has handed out, said Knox, but it is a considerable contribution.

## Chaplin Must Face Trial In Paternity Suit

Los Angeles, March 9.—(P)—Charles Spencer Chaplin must defend himself in court against 24-year-old Joan Berry's accusations in a civil suit that he is the father of her five-months-old child.

Superior Judge Stanley Mosk denied yesterday a motion by the comedian's attorneys for dismissal of the paternity suit and ordered him to answer the action within 10 days.

Chaplin, also accused of Federal Mann Act and conspiracy charges involving Miss Berry, based his motion on a stipulation in which all parties agreed that if blood tests indicated the actor was not the child's father, the suit should be dismissed.

Judge Mosk, rejecting the motion, held that "the ends of justice will best be served by a full and fair trial of the issues." He voiced his determination to protect the rights of the infant, Carol Ann, unborn at the time the stipulation was entered into.

## Two Jap Attacks Repulsed 40,000 Nazi Dead in Italy

## MINOR THRUST ON BEACHHEAD TURNED BACK

All Fronts Remain Relatively Quiet Aside From Routine Patrolling and Artillery Duels

WEATHER IS IMPROVING

By EDWARD KENNEDY

Allied Headquarters, Naples, March 9.—(AP)—Fifth Army forces have inflicted 9,000 casualties on the Germans in and around Cassino since the end of January, bringing total enemy losses in Italy for that period to approximately 40,000. Allied headquarters announced today.

The Cassino casualties, including 1,500 captured and the remainder killed or wounded, were disclosed as a communiqué told of the repulse of two new minor German thrusts against the American beachhead positions southeast of Carroceto.

German losses on the beachhead have been announced as about 24,000. In addition, the enemy has suffered other casualties at the hands of the British along the Garigliano, at the hands of the French in the mountains north of Cassino, and on the Eighth Army front.

Except for the two minor thrusts on the beachhead, all fronts remained relatively quiet yesterday aside from routine patrolling, artillery duels, and a German night air raid on the beachhead in which anti-air personnel bombs were dropped.

The weather was fair to cloudy yesterday and Allied air craft got off on approximately 900 flights, including Marauder attacks on the harbor of Santo Stefano 80 miles northwest of Rome and Mitchell blows against the rail yards at Orte north of the capital.

Fighters and fighter-bombers attacked targets in the beachhead area and fighters made shipping sweeps over both the Adriatic and Tyrrhenian Seas. Nine Allied planes were lost during the day.

## Churchill Asked About Enemy Fleet

London, March 9.—(P)—Prime Minister Churchill said today that disposition of "enemy or ex-enemy" fleets had best be left until the end of the war, but confirmed President Roosevelt's announcement that consideration was being given to reinforcement of the Soviet navy by Italian or other warships.

Answering a flood of questions, some of which asked if such announcements should not be made in concert by London and Washington in the future, Churchill indicated to the house of commons that the Italian warships still were being operated by the Italians under the old arrangements.

He added no details to President Roosevelt's statement of March 3 that negotiations were about completed for transfer of roughly one-third the Italian fleet to Russia except to say that no change was contemplated at present in the arrangements with Italian naval authorities under which Italian ships and crews take part in the common struggle against the enemy in the theaters where they now operate.

## Welsh Coal Strike Becomes Alarming

London, March 9.—(P)—The Welsh coal strike assumed more alarming proportions today when a fresh wave of walkouts boosted the number of idle miners to 90,000—or about 90 per cent of the total in the coal fields.

A total of 165 mines now are idle as a result of the wage dispute, which is depriving Britain's war industries of sorely-needed fuel and threatening to cripple the transportation system.

The strike spread this morning to the Swansea anthracite district, when 14 pits closed there.

The new walkouts dealt a severe blow to optimism engendered late yesterday when it appeared that one of the chief obstacles to settlement of the dispute was removed at a conference of miners and operators presided over by Fuel Minister Gwyn Lloyd George.

## Girl Freed On Two Counts By Mercer Jury

Decision Announced After One of Longest Deliberations on Record

FARM OWNER INDICTED

Mercer, March 9.—(P)—Blonde Janice Graham, 20-year-old farm girl, was free today after a Mercer county grand jury found it had not sufficient evidence to indict her on two charges of murder in the triple slayings on the Everett Wilson farm last Oct. 7.

After one of the longest grand jury deliberations on murder charges in Mercer county history, the jurors announced late yesterday they had found a not true bill in the case of Miss Graham, arrested last week in connection with the shotgun slayings of Mrs. Katherine Wilson, 78, and Robert McKay, 70.

The grand jury had spent a day and a half hearing testimony of 22 witnesses and evidence presented by District Attorney Edwin C. Moon and Assistant Prosecutor Alvin R. Isenberg.

At the same time, the grand jury announced it was indicting Wilson, the farm owner, on seven counts as an abetting witness for failure to appear at the trial of William A. Morell, 20-year-old farmhand convicted last December of voluntary manslaughter in the slayings of Mrs. McKay.

## RESPECT SANCTITY OF ROME CARDINAL PLEA

Boston, March 9.—(P)—William Cardinal O'Connell, Catholic archbishop of Boston and dean of the Roman Catholic hierarchy in the United States, today called upon his flock to pray that the leaders of all nations may "respect the unique sanctity of Rome and spare the Holy City."

In a pastoral letter to be read at all masses in the archdiocese Sunday, the cardinal also asked for prayers "for the welfare of our beloved Holy Father (Pope Pius XII). The letter was made public last night.

Washington, March 9.—(P)—Guard as well as the Navy proper. Of the total casualties the Navy has suffered 27,383. Marines 12,986 and the Coast Guard 455.

Stimson said that of the 47,318 Army wounded, 25,291 have been returned to duty or discharged. Of the 27,222 prisoners, Stimson said, the enemy has reported that 1,673 have died of disease in prison camps.

These deaths, Stimson commented, occurred mostly in Japanese-occupied areas and the total probably is larger than reported by the enemy.

## BITTER FIGHT BEING WAGED AT WILLAUMEZ

Leathernecks Driving For Unused Talasea Emergency Landing Strip Near Beachhead

FRUSTRATE LANDINGS

By RICHARD C. BERGHOLZ

Associated Press War Editor

Two Japanese counter-attacks in the Bismarck Sea campaign were reported in today's Allied communiqué. One, on Los Negros island in the Admiralty group, was smashed, and the other, on New Britain's Willaumez peninsula, is being bitterly resisted.

Veteran American marine shock troops are fighting to hold the Willaumez peninsula beachhead, which they established Monday, against fanatical Japanese counter-attacks.

Associated Press War Correspondent Murlin Spencer reported from the scene the landing met the bitterest opposition of any such operation in the southwest Pacific and was accomplished without naval or air bombardment.

The leathernecks are driving for the unused Talasea emergency landing strip five miles from the beachhead. The strip is 170 air miles from Rabaul, main Japanese base on New Britain's north-east tip.

While small forces of Japanese planes darted through the night, a cluster of troop-filled enemy barges attempted to land on Los Negros island Tuesday, Gen. Douglas MacArthur communicated. But American artillery caught the barges off-shore and every landing attempt was repulsed.

Allied forces leap-frogging up the coast of New Guinea have strengthened their positions west of Sador and are now 23 air miles from their objective, Madang.

## Germans Rush Aid To Forces In the Ukraine

BULLETIN

London, March 9.—(P)—Premier Joseph Stalin in a special order of the day broadcast from Moscow announced today that the Russians have opened still another offensive on the Ukrainian front under Gen. Rodion Malinovsky.

By EDDIE GILMORE

Moscow, March 9.—(P)—The German army command in desperation has commandeered all available transport planes in a frantic attempt to save a large part of its mud-bound mechanized army in the southwestern Ukraine, Soviet dispatches said today.

Capt. Andrei Belaiev, front-line correspondent for the army newspaper Red Star, told how the Nazis, flying in hundreds of their to get supplies to the tanks, big transport planes, were trying to get supplies to the tanks, trucks, self-propelled guns and tractors so they may be extricated from what probably is the worst mud of the entire Russian campaign.

In some places, Belaiev declared, the Germans, unable to land their transports because of the water-soaked terrain, dropped their cargoes of gasoline by parachute.

Dispatches said that German resistance had stiffened as fresh troops from other sectors had been thrown into the battle lines.

Marshal Zhukov's Red army troops drove forward through the deep, sticky mud toward the important junction of Proskurov.

These deaths, Stimson commented, occurred mostly in Japanese-occupied areas and the total probably is larger than reported by the enemy.

## Souvenirs of Present War Displayed in M.-W. Window

A window containing interesting relics and souvenirs of the present war, as well as a few from World War I, is on display in one of the Metzger Wright windows on 2nd avenue. It is being shown in connection with the Red Cross Annual War Fund Drive which opens this Monday.

Among the objects that may be seen are: Japanese field rations, a field cap and mittens taken from a Japanese in Kiska, propaganda leaflet which is printed in Japanese and was dropped by American aviators over Kiska; also a bit of metal from a Jap plane and numerous shells; among them a shell from the famed American Banzooka gun.

The Red Cross flag and some

current Red Cross posters form an attractive background for the display with a large Nazi flag, into which is thrust an American bayonet, picked up on the battle field near Soissons, France in August of 1918. There are several other bayonets, helmets and gas masks used in the first World War and a number of other articles from the current conflict. The display will be kept open until next Monday.

The Red Cross War Fund Drive in Warren County opens officially on Monday next though teams in the Industrial Division have been active all this week. Several firms have already passed their quotas and many of them are now proudly displaying their 100% stickers. There will be an important meeting of all workers Monday evening at the Y. W. C. A. Among the speakers will be Ernest C. Miller, of Warren, who is the Field Director of the American Red Cross at Camp Reynolds.

Mrs. A. M. Kroft was hostess to the Friday Club. Mrs. Earl Peters won high score. It was decided by those present to meet on Wednesday afternoon instead of Friday.

In connection with their regular meeting the Foreign Missionary Society of the Nazarene church honored Mrs. Alan Platz with a towel shower. Twelve members were present.

A part of the I. O. O. F. hall is being repaired and redecorated and is to be used for voting polls at the next election, thus eliminating the climbing of stairs. It will be a decided improvement on the present place of election.

Returning Sunday, Mrs. George Prue has spent the past week in Sagertown visiting her daughter, Mrs. Charles Burgett.

## TIMES TOPICS

### CHIMNEY FIRE

The fire department was called to 11 Plum street yesterday to extinguish a chimney fire. No damage was done.

### REDECORATING STORE

The Bert Shop in the Columbia Theatre building is having its face lifted with new paint and other decoration in readiness for spring. The appearance is being materially changed.

### MEN'S BROTHERHOOD

All members and friends of St. Paul's Lutheran Brotherhood are cordially invited to attend the special Lenten program which will be presented in conjunction with the regular meeting at 7:30 this evening in the church.

### FAREWELL PARTY

All members of the Clarendon Fire Department are asked to be present tomorrow evening for the farewell party for one of the members, William Thornton, who leaves for the army March 14th. The Forestry Department will show movies.

### BUSY PLACE

Times Square this morning was taken over by the public utilities of the city. The Bell Telephone Company has a group of men at work on the cable system and the Penn Electric Company has a number of men at work and one of the gas companies had its truck parked in the square while men were at work in a building.

### GOVERNOR TO SPEAK

Oil men from Warren and other sections of the oil territory in this end of the state will gather in Bradford April 27th when Gov. Edward Martin will be the guest of honor and address the Independent Petroleum Association of America. The meeting will be held at the Hotel Emery and Martin will speak on the opening day.

### WILL TREAT ROADS

Warren will have the sum of \$69,500 spent in surfacing 62.29 miles of roads in the county during the coming summer. In all the state will spend \$4,140,000 on its 4300 miles of highways that are on the program for attention this summer. 18,000,000 gallons of bituminous material will be used in the work which will cost \$1,750,000.

THERE IS no substitute for newspaper advertising.

## SHEFFIELD NEWS

Sheffield, March 8.—Rev. Wayne Furman, pastor of the First Methodist church of Warren, will speak at the Methodist church at the eight o'clock services in the evening. Rev. Ivan Rossell will preach at the 5 p. m. services at the First Methodist church in Warren.

L. O. Eisenhauer was the speaker at the Tuesday noon Rotary Club, and had as his topic "Club Service." Arthur Brandenburg of Warren was present and the senior guests were Miss Betty Irwin and Wendell Burns.

The eighth grade girls of the Washington school gave a surprise party on Miss Virginia Dunn, the home economics teacher, in honor of her birthday. Mrs. Helen Pot-

ter, former teacher of the grade was present. The evening was spent in playing games, and refreshments were served by the girls, who also presented the honored guests with gifts.

Guy Trovato arrived home today from the Kane Community Hospital, and expects in a few days to return to work.

Rev. Ivan Rossell has spent the past few days in Little Valley, N. Y., where the dedication of a new Methodist church took place.

Pvt. Lawrence Benson, son of Mr. and Mrs. Carl Benson, Mill street, who has been stationed at Fort Riley, Kansas, is home on furlough until March 15th, when he will report to Fort Orde, Calif.

The Harriet McCamey Class of the Methodist church will meet at the home of Mrs. M. Cain, West Main street, Friday evening.

## WINS PROMOTION

Just received by the Times-Mirror is a special dispatch from headquarters of the 12th AAF Fighter Command which announces that Captain Cecil Ray Sipple, of Russell, was recently promoted to his present rank while serving with a night fighter squadron on the Mediterranean front. His new duty is that of squadron executive officer.

His squadron is under the 12th Fighter Command, the Army Air Forces section of the Mediterranean Allied Coastal Air Force, and is engaged in protecting Allied convoys and intercepting enemy raiders in that area.

YM Planning  
Pre-Induction  
Party Friday

All selectees of Selective Service Boards No. 1 and No. 2, who were examined and accepted for service at Erie in February, are cordially invited to attend a Pre-Induction meeting at the Y. M. C. A. this Friday evening, at 7:30 o'clock.

Dr. Leonard Rosenzweig will give a talk, offering helpful hints for those who are destined to don the uniform of one of the military services in the near future. Dr. Rosenzweig, General Secretary Ralph Wagner, Montgomery McClure and one or two others are expected to serve on an "information panel" for the forum discussion period following the talk.

The "Y" will also serve refreshments to please the inner man and promote sociability. These meetings have, in the opinion of service men who have participated, been very helpful in preparing men for the life adjustments they must make and in providing practical information.

#### BATTLE OF FRANCE

We hear so much of factional strife within the provisional French government that we are likely to forget the unity, the bravery, and the growing strength of the underground within France itself. It was something of a surprise, then, to read a report presented to the French Consultative Assembly in Algiers in which it was disclosed that it is the underground now, and not the occupying Nazis, that is presenting ultimatums.

After patriots blew up a powder factory and German-occupied hotel in Grenoble, the Nazis seized 300 hostages. The patriots told them to release the prisoners or expect reprisals. The Nazis refused, and the patriots then blew up a German barracks, killing 220 and injuring 150.

This is as encouraging as the squabbles of De Gaulle, Giraud, et al., have been disheartening. And it lends strength to the appeal uttered by an escaped member of the underground to the assembly: "We want you, too, to be as united as we are."

With the French patriots accomplishing so much against frightful odds, it seems little enough for their provisional government to give them assurance of appreciation and common aim, and to let them know that political bickering will be adjourned until the great coming battle is won.

#### CURB ON SPENDING

The squander Bug threatens the home front, and the Office of Economic Stabilization plans an all-out spring campaign to combat it. You will be urged to curb spending wherever you can.

The campaign booklet has such timely suggestions as limiting yourself to a bright new Easter outfit. You will be urged to try to restrain your buying to your customary price range. This may take a bit of shopping on your part, but it's your home-front war.

OES plans to remind you with a series of posters in public buildings announcing this seven-key plan to hold prices down:

1. Buy and hold War Bonds.
2. Pay willingly our share of taxes.
3. Provide adequate life insurance and savings for our future.
4. Reduce our debts as much as possible.
5. Buy only what we need and make what we have last longer.
6. Follow ration rules and price ceilings.
7. Cooperate with our Government's wage stabilization program.

#### SERVES THEM RIGHT

An Associated Press newspaper shows long lines of Florida winter visitors awaiting their chance to secure transportation northward via railway.

It is the new version of the wartime rationing line-up. "Long lines have been forming before daylight at offices of all railroads which operate trains northward," says The Associated Press. And it would be too bad, indeed, if a lot of these folks would get left at the post.

They're in line at the railroad offices because rationing boards "refused to allow them gasoline for home-ward motor trips," adds the A. P.

Lot of folks in these parts are still waiting to have explained how the stranded tourists secured the gasoline to make the southward trip.

That was a fine "performance" staged by the Players Club last evening when they decided to contribute \$100 to the Red Cross Fund.

If you have any blood left after you've paid your income tax, give it to the Red Cross.

#### OBEDIENCE

"Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city." Rev. 22:14.

A new commandment and given unto you, that ye love one another. Love suffereth long, and is kind. The best way to escape a bad situation is by the avenue of kindness. Love succeeds where everything else is deficient. The kind word disarms your enemy where the bitter word tendeth to animosity. Tender mercies have a healing effect where vengeance fails utterly. The prevailing smile will get you out of difficulties you can never fight your way through. You can eliminate your perplexities with mirth when you cannot budge them with debate. Anyone can tolerate the angry man but no one can resist the amiable soul. Love renders the critic helpless, and self-abasement subdues the braggart. The man who is right need not fear the coming of his Lord, and the honest and truthful can patiently wait for their vindication.

Obedience is better than sacrifice. The fear of the Lord is the beginning of knowledge. By this shall all men know that ye are my disciples, if ye have love one to another.

## Sometimes Courting Can Be Plumb Discouraging

## Washington in Wartime

By JACK STINNETT

WASHINGTON—The intensity with which Washington diplomatic and military circles have watched Russo-Finnish peace negotiations might seem out of all proportion to its ultimate effect on the defeat of the Nazis, but that isn't true.

Although the United States never followed the lead of its Allies in declaring war on Finland, it did ban Finnish "propaganda" in this country in 1942. As a result, Hjalmar Procopio, popular Finnish minister here, has had to keep his tongue tied publicly. That was too bad.

A frank discussion of what Finland was up against, the actions of its leaders, as well as a consideration of what the Nazis were doing in Finland and how Russia felt about it might have ended hostilities long ago. It has been pretty much a static war until Russia recently unleashed those bombing raids over Helsinki. But it has been a far more important sector to both ourselves and the Nazis than appears on the surface.

DESPITE some 300,000 persons of Finnish descent in this country and despite our sympathies expressed through monetary aid when Finland was fighting her first war against the Russians, our conception of the real importance of Finland in the European war picture has been pretty hazy. To most of us, Finland was merely a "little" country that

paid its debts, produced excellent musicians, athletes and ski troopers, and was addicted to those strenuous steam baths. If that were all, courage to the contrary, Finland would never have meant much either way in the war. Although there are only about 3,500,000 Finns, the country in area is the seventh largest in Europe.

It's pretty reliably reported that the Nazis have kept about 100,000 troops in Finland and they weren't there for winter sports. They have constantly been a threat to Murmansk and the 900-mile railroad that links the port with Leningrad and the gateway to the front.

They have kept the Russians from the Baltic and provided a dangerous flank against advances in Latvia, Lithuania and Estonia.

EVEN that isn't all. At last report (it's believed to be even greater now) Finland supplied five per cent of the world's war-vital nickel—some 18,000 tons a year. It also produces copper, wood pulp, plywood, cellulose, and everything wooden from matches to airplane propellers.

All of this has been going to Germany, except the small amounts used in Finland's war production. To shut off that supply, as well as remove the strategic threat, which has always outweighed the importance of the Finnish army, has long been an Allied dream and a German nightmare.

## What It Means

By NED NORDNESS

WASHINGTON—Inclusion of the Bay of Biscay, off northern Spain, within the Allied Atlantic sea and air blockade is not just a gesture. It has drawn even tighter the net which separates Nazi Germany from much-needed war materials.

The blockade was slapped against Germany as soon as war was declared in 1939. The British Department of Economic Warfare says Germany's normal seaborne imports were cut in the following proportions:

Rubber, nearly 100 per cent; fats, 90 per cent; oil, 80 per cent; tungsten, 75 per cent; natural phosphate fertilizers, 95 per cent; copper, 75 per cent; cotton, 98 per cent; wool, 95 per cent.

Germany took over five countries and obtained some vital supplies and more were added in trade with such neutrals as Sweden, Turkey and Spain—but not nearly enough.

What does a close blockade mean to a country already heavily dependent upon ersatz supplies?

It means the Nazi High Command would coldly sacrifice thousands of soldiers on the eastern front to take desperately-needed manganese and other mines in the east Ukraine. The Germans risked thousands more in an attempt to hold these mines, but they lost.

It means the Hitler group will even risk what is left of its war fleet to convoy cargo ships to European shores. Germany did this last December in an attempt to get one merchantman through the Bay of Biscay. One-third of the

Nazi destroyer force was sent out. Three destroyers were sunk, and so was the cargo ship, by alert Allied forces.

It means that for every mile the German lines are shortened the Germans are that much farther away from needed materials. It is believed that one reason Russia of late has been putting pressure on Finland to get out of the conflict is because the Reds want to watch the Gulf of Bothnia and stop further sea shipments of Swedish iron ore to Germany.

As the Nazi lines are pulled in, the Axis must depend more and more upon lone wolf operations of blockade runners. For that reason the British guard closely those European ports fronting the Atlantic where solo shipping may enter or depart.

Lone ships attempt to dart into the Bay of Biscay with rubber and tin from Japanese-occupied territories. Adverse weather is their ally; fog, blizzards and rainstorms are welcomed. Often they hide under Allied flags.

Most are trapped in the blockade net. Many are apprehended and sunk far from Europe because the Allies maintain an alert on ports and sea lanes all over the world. Hitler has many ships at home bases waiting to make a break to sea. These are systematically bombed.

The Allies also have gone in for buying in neutral countries commodities wanted by Germany. Whether or not the Allies need the goods is immaterial. At least they don't wind up in Hitler's war plants.

The sea blockade has proven a potent weapon of warfare before. Napoleon was defeated largely because of it. Kaiser Wilhelm couldn't buck it. Hitler, too, is falling before it.

## From where I sit . . .

by Joe Marsh

We had a real old-time church supper the other night. Bert Childers played the fiddle, and the ladies brought refreshments. Of course, we missed the boys who were away—but all in all it was mighty pleasant.

Only sour note was Doc McGinnis. "Shucks," says Doc, "we oughtn't to be enjoyin' ourselves when American soldiers are over there fightin' a war."

Now from where I sit, Doc's absolutely wrong. All of us are working overtime to help the

war. We've got our worries and troubles. It's a mighty good thing we can relax with a little wholesome enjoyment.

And I believe it's what the men over there would have us do . . . keep up the little friendly customs they remember—like the evening get-togethers, having a glass of beer with friends, and all the little pleasures they look forward to enjoying.

#### SALVAGING PAPER

Times-Mirror

Gentlemen:

I believe there is a vast waste of paper when it is so badly needed. It is hard to pack small particles, and usually these are burned. The following is a sample and inexpensive way to salvage it:

Get a box approximately 14 inches wide, 16 inches long and 14 inches high. Place three strings or rope in the box one in middle and one about 4 inches from each end. Put a newspaper or more, or some heavier paper in the bottom then bits of paper then heavier paper until the box is full, then tie the ropes securely, and you will have a nice bale of paper. If strings are plenty I would recommend one the long way of the box.

Editor of the Times-Mirror  
Warren, Pa.

With an epidemic of rabies in many towns and cities in northwestern Pennsylvania, why is it that dogs in Warren are permitted to run about the town at will? Will the authorities wait, as they did in Erie, until ten persons have been bitten before the streets are cleared of dogs.

Yours very truly,  
A. Fraid

### DETAIL FOR TODAY

G.I. Brats

G I BRATS are officers' children. In a large post they usually live with their parents in or near the camp. There isn't much they don't know about the Army and they can generally give the non-coms a few pointers—which is not relished by the non-coms. G I BRATS are especially adept at bright sayings, such as "Daddy, when are you going to be a Captain?" when the Commanding Officer is visiting. They are raised in an Army atmosphere and it is a pretty good bet that the boys will don uniforms when they reach the proper age.

The municipal stadium of Cleveland, O., cost more than \$3,000,000.

### 8 VITAMINS! Extra-Potency B COMPLEX plus A, D, C!

There must be a mighty good reason why 321 out of 365 doctors, who answered questionnaires, voted Beams a better vitamin supplement than six leading brands.

The reason is, we believe, that Beams give you a more potent or more comprehensive B Complex . . . plus vitamins A, D and C! 8 vitamins in all! And one capsule a day supplies more than the recommended minimum requirements . . . gives extra potencies of all-important B<sub>1</sub>, B<sub>2</sub> and Niacinamide, as well as extra A and D.

## Youths Offered Chance With Air Corps Enlisted Reserve

Captain Steuernagel of the Army Air Forces Enlistment Service will be in the Warren High School Friday, March 10, 1944, at 10 o'clock A. M. to interview all young men who have a desire to enlist in the enlisted Air Corps Reserve of the Army Air Forces.

Young men 17 years of age who have not yet reached their 18th birthday are requested to confer with Captain Steuernagel and learn of the advantages of enlistment in the Air Corps Enlisted Reserve. Those who desire to enlist will be given a written examination at the High School, Friday morning, and if they are successful in passing this examination, they will be given the opportunity to go to Erie, and take a physical examination. If they are found to qualify, they will be permitted to enlist in the Air Corps Enlisted Reserve, and thereafter they will be subject to call upon their eighteenth birthday, or within six months following their eighteenth birthday if they are still in school.

The following young men have passed their first screening test, and also their physical examination, and have enlisted in the Air Corps Enlisted Reserve:

Donald M. Endress, 108 Biddle St., Warren, Pennsylvania.  
Robert J. Lundberg, 107 Jackson St., N. Warren, Pennsylvania.  
Alvin Brownell, 285 Morrison St., Warren, Pennsylvania.  
Robert E. Baumgardner, Tionesta, Pennsylvania.  
Edward M. Bell, 506 W. Fifth Avenue, Warren, Pennsylvania.  
Lewis A. Nichols, 456 Conewango Avenue, Warren, Pennsylvania.  
William D. Stuart, Youngsville, Pennsylvania.  
Howard M. Sammons, Union City, Pennsylvania.

These young men are taking up production training with Civil Air Patrol Cadets, so that they may qualify as candidates for the Army Air Corps and Aviation Cadet Program at the time they are called to active service. While still in school, these boys have dedicated themselves to the war effort, and to the hard task of training themselves for one of the most necessary branches of the armed service. They are to be commended by all, and they will be identified by silver wings worn in their coat lapels, with the letters AC in a round disk at the base of the wing, showing that they are members of the enlisted Air Corps Reserve of the Army Air Forces, awaiting call to active service.

### Hollywood Sights And Sounds

By ROBBIN COONS

**HOLLYWOOD**—Notes on the progress of civilization: Johnny Weissmuller, signing a contract with Pine-Thomas, stipulates he will wear clothes in all his roles for them, and no more Tarzan stuff.

Set scenes: Eddie Bracken, after doing a "drowning" scene for "Bring on the Girls," halting proceedings for the next take by calling for a glass of water at the pool's edge. Veronica Lake, whose role called for her to push Sonny Tufts, fully clothed, into the pool, confessing a wicked urge to rehearse—using an unsuspecting visitor as victim—but nobly restraining herself.

Geraldine Fitzgerald, playing the president's second wife in "Wilson," is finding it a glamorous role. But you've never seen Geraldine until you've seen her out of make-up, a twinkling and mischievous type—with freckles. They'll never be photographed, unfortunately. "They just make my face look dirty in pictures," she says. So she keeps on playing wilky, spiritual, generally noble characters. . . . Mal St. Clair, who directs the Laurel & Hardy flickers, is acting again in "Wilson"—a role he first did 25 years ago for Mack Sennett's "Yankee Doodle in Berlin." The role is that of the German crown prince. . . .

**NEXT** big picture with a Japanese theme will be "Made in Japan," story of a small minority

group in Nippon opposed to the military clique. It's fiction, nobody from Hollywood having been in Tokyo this month to investigate.

Newest Great Lover in town is Bob Hope, who admits it himself because he gets D. Lamour in "The Road to Utopia." He had a love scene with Dottie, Bing Crosby standing by, the other day. Afterward Bob, with a glance in Bing's direction, asking her: "Do you enjoy making love scenes with me?"

"Oh, I do," she rejoined. "Every minute of it. And who knows? Someday that jiu jitsu may come in handy."

"Did I hug you too hard?" he persisted.

"Hard?" she cried. "Bob, I've had my ribs squeezed before but that was the first time they ever passed each other and changed sides!" . . .

**COL. FRANK CAPRA** was not a contender for the regular Oscars this year, though his feature documentary, "The Battle of Russia," was up—but he's still the only director with three of the gold-plated doorstops.

Department of poetic justice: Edward G. Robinson, playing a rookie in "Mr. Winkle Goes to War," had to spear up cigar and cigarette butts on the movie's parade ground one afternoon. And what gave him the most trouble? His own cigar butts, smoked to a shaggy stub and discarded there in the morning. . . .

## Many Never Suspect Cause Of Backaches

**This Old Treatment Often Brings Happy Relief**  
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause lagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.  
Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 12 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

#### LANDER

Lander, March 2—Many farmers have taken advantage of the farmers machinery repair school which has been conducted the past eighteen weeks on Wednesdays and Thursdays under the supervision of Clair Putnam, the local blacksmith. The agriculture class from the local high school have also attended and have been making wheelbarrows, whiffletrees etc. The school continues for two more weeks and anyone interested should contact Mr. Putnam. L. H. Bull, assistant county agent of Erie county, will be present on Friday to discuss repairs of mowers and readers.

Miss Laura Deming, teacher of the Thompson Hill school recently took her pupils to Warren after school to attend a show. This school was the winner of the twenty-five dollar awards given to the school which gathered the most paper per pupil in the county. They averaged two hundred and thirty two pounds per pupil. They are also active in buying war stamps and bonds. Following the show they had dinner at the Davis diner where a table had been especially decorated for them and with favors for all. Miss Deming deserves much credit also, she having helped to gather and take the paper to Warren in her car.

Mrs. Roy Lindell and daughter Doris spent Monday with the former's aunt Mrs. Chapman at Ashville.

Mrs. Stuart Falconer and son Raymond went to Erie Friday to visit her mother Mrs. Grace Lorce.

Miss Hazel Hansen spent the weekend in Erie with her parents. Mr. and Mrs. Herman Burgett entertained at a family dinner on Sunday. Out of town guests were Mr. and Mrs. Charles Russo of Warren.

Mrs. Lynn Burgett entertained the Primary and Junior classes of the Thompson Hill Sunday school with a party recently.

Mr. and Mrs. Minor Satterlund have left for DuBois where they will live for several months.

Mrs. William Fredericks of Cleveland, Ohio, has been spending a week with her father Guy Bassett who returned to Cleveland with her to spend the remainder

of the winter.

Mr. and Mrs. Stuart Falconer visited Mr. and Mrs. Virgil Hinsdale at Warren Sunday evening.

Mr. and Mrs. George Kofod and Miss Mae Nelson of Jamestown, spent Sunday with Mr. and Mrs. Harry M. Nelson. Mrs. Nelson is showing a little improvement. Mr. and Mrs. Kofod are leaving March 8 for Oregon to visit their son Allan and family.

The Ladies Aid met at the Community house March 1 with a good attendance with the President, Hazel Ludwick, presiding. Several bills were ordered paid. It was voted to purchase a load of coal for the church and community house. The serving of a supper was discussed but no action was taken and it was left to the division to Page Twelve.

## "This Hitlerhito's no snap, Dad"

"That's what you said in your last letter, son.

And that's what started me thinking It takes a war to make us realize that we've been taking some of the good things in life for granted. Take electricity for example.

We flip a switch that turns on a flood of bright, cheerful

light, or turns on the vacuum cleaner or the toaster, but we aren't likely to think of the giant generators in the power stations, the miles of transmission lines, or the thousands of workers that make it possible to bring electricity to our homes so conveniently and at less cost than ever before.

Ordinarily, we aren't expected to be aware of these things. But, right now there is an urgent need to conserve our nation's resources, such as coal, manpower, transportation and materials . . . all necessary in making electricity. Using electricity wisely—even though it isn't rationed—is another way we are backing the attack."

## First Presbyterian Classes Enjoy An Evening Together

About 80 members of the Spinsters and Jefferson classes of the First Presbyterian church, with their husbands and wives gathered in the church dining room last evening for a very pleasant dinner party.

Tables were done in green and yellow with pussy willows and forsythia, and each was presided over by a hostess. These were Miss Nell Milenius, Miss Martha Swick, Mrs. Harold Warren, Mrs. Harold Banghart and Mrs. Harold Hampson. Dinner partners were chosen by lot as the group entered the dining room.

Harold Hampson, Jefferson class teacher, acted as toastmaster and called upon W. K. Hay for the invocation. Martha Swick, Spinsters president, and Ralph Whitehill, former head of the men's group, spoke briefly and Pierce McCullough led the group singing.

Adjoining to the memorial parlors, these Spinsters members presenting a play, "Bundles for Charity," under the direction of Mrs. E. E. Koebeley. Mrs. Hampson, Mrs. R. N. Connelly, Mrs. William Schwartz, Mrs. W. R. Carlin, Mrs. Ralph Chester, Mrs. T. N. Donaldson, Mrs. F. S. Richards and Mrs. B. V. Lesser.

Mr. Hampson then conducted a quiz on historical affairs and a musical quiz for which Mrs. Carlin was at the piano, the Spinsters winning.

Heading the two group committees for the party were E. Ross Carlson, Jefferson president, and Mrs. B. V. Lesser.

## Legion Auxiliary Plans Activities

American Legion Auxiliary members are busy with plans for a number of approaching activities, including their regular meeting at the Legion Home at 8 p. m. Tuesday, March 14, when a number of candidates will be initiated. After the meeting, a special Americanism program will be presented by Mrs. F. L. Abendroth, chairman of that work, and her committee members. Mrs. Kenneth Davis will be chairman of the refreshments committee.

Junior Legion Auxiliary members will hold their regular session at the home at 8 p. m. Thursday, March 16, and all the girls are asked to turn out. On March 17, the American Legion Post and Auxiliary will enjoy a St. Patrick's party, with a tureen dinner at 6:30 o'clock and dancing to the music of McCune's Orchestra.

From Washington, D. C., it is learned that Jean Foster, daughter of Mr. and Mrs. Donald Foster, Warren RD 1, who has featured vocalist and guitarist with Cal Gifford's Orchestra at the swanky Hotel Statler, is making a name for herself as the "Sweetheart of the Statler." Billed as "Society's Favorite Maestro," Cal's group is a versatile one, has been billed there five months and has had his contract renewed indefinitely. The group has played for many of the popular movie stars and Jean had the pleasure of singing a song for Mrs. Roosevelt at the president's birthday ball. The band has contributed generously in entertaining men of our fighting forces at the American Theatre Wing Stage Door Canteen, playing there every other Wednesday night.

**HERALDS AND MOTHERS**  
All members and friends are invited to the business and social meeting of the Little Heralds and Mothers Circle to be held at 2:30 p. m. Friday in the Folkman parlors of the First Evangelical church. Hostesses are Mrs. Pritchard and Mrs. Knapp.

**QUAINTANCE CLASS**  
The Quaintance Class of the First Baptist church has planned a birthday party for all adult members of the church and Sunday school, to be held in the church gym at 8 p. m. Friday.

## Personal Paragraphs

"The Student Prince" appearing this evening at Jamestown will attract a number from this city. Among those who will attend is a party composed of Mrs. Eva Brown, Harriet Lind, Julia Juliano, Mary Muscare, Joan Jacobson and Ann Buxton.

Miss Mildred Honhart spent yesterday in Corry with friends.

Mrs. R. H. Eggleston, of this city, is spending a few days in Corry the guest of her sister, Mrs. Olive Allen.

Mr. and Mrs. Kenneth Burch returned this morning to West Chester after visiting Mrs. John Benson in Sheffield and Mrs. Cora Burch at Venturatown.

Miss Eunice Bowman, a student at Westminster College in New Wilmington, has left for her home in Pittsburgh after being the guest of Mr. and Mrs. Paul Rapin, 108 Market street.

The Rev. J. Paul Shelly, of Erie, who a number of years ago served as pastor of the North Warren Presbyterian church, and who has been retired for many years, suffered a heart attack while in an Erie store Tuesday. He was removed to St. Vincent's Hospital at Erie. The Rev. Shelly, who has been unusually active for a man of 90 years of age, makes his home with his son, Phillip Cunningham, at Erie, and spent much time at the Lawrence Hotel, where he took his meals. His condition is said to be improving.

It will interest his friends to know that Chester Randall, Bell Telephone man who was recently transferred to New Castle, has been shifted to Beaver. Randall expects to join him there soon.

## TIMES TOPICS

### WILL MEET FRIDAY

Marshall Larson Post VFW, No. 314, will meet tomorrow evening in the IOOF hall at Clarendon at 8 p. m. There is some business of importance to come up for action.

### HAVE FINE DOG

State Police have a fine Irish setter dog, presumably 6 to 8 months old at their headquarters and they suggest that the owner call there for the animal as they do not wish to have it destroyed.

### MERCURY DOWN AGAIN

The old Groundhog this year must have known his business as winter is certainly lingering long and cold. The mercury again slid down to 13 above this morning. The high wind that swept this section last evening was accompanied by a snow fall of no mean proportions that covered walks and highways. This morning cinder trucks were busy at slippery intersections in an effort to make driving as safe as possible.

### WAR BOND PRIZES

Two \$75 War Bonds have been offered as prizes to the two school pupils in this state who gather the most prepared and processed tin cans during the month of March. The bonds are being presented by the Vulcan Detinning Company whose plants are located at Neville Island, Pittsburgh. It will be necessary to certify to the Department of Public Instruction the name and address of the pupils collecting the greatest number of tin cans and this is a matter for the superintendents of schools.

### CASHED CHECK

Jacob Borst, of West Hickory and Warren, is in duress vile as the result of cashing a check for \$50 at the Warren General Hospital. The check was in excess of his hospital bill. Later it was discovered that the check was worthless and the police gathered up the writer and he spent the night on the slats at the Central station. The officers also recovered a Buick automobile that had been reported as taken from a parking place near the Nut Shop on Pennsylvania avenue. The car was found parked on Market street.

### MANY LAID OFF

Several from this city who have been working at Corry have been laid off and the layoff is evidently for an indefinite period. Many of them are now taking places in Warren plants where there is a demand for both male and female workers. One Warren plant is now endeavoring to secure a number of high class machinists through the Manpower Commission, while the demand for women and girls continues high. Enrollments for places in Warren plants are being constantly carried on at the Manpower Commission office, 225 Pennsylvania avenue, west.

## Local AAF Navigator Reported Prisoner

2nd Lt. Mones Edgar Hawley, navigator with the AAF, is reported, but not officially confirmed, as a prisoner of the German government, according to a wire received by his father, E. E. Hawley, 225 Watson Place.

The message from the Foreign Broadcast Intelligence Service of the Federal Communications Commission, reads as follows:

"The name of Second Lieutenant (Lawrence) Edgar Hawley has been mentioned in an enemy broadcast as a prisoner in German hands. The purpose of such broadcasts is to gain listeners for the enemy propaganda which they contain but the Army is checking the accuracy of this information and will advise you as soon as possible."

Mr. Hawley states the last message he had from his son was a letter written in Brussels, Belgium, Italy, where he is known to have been serving with the AAF.

### UNITED IN FLORIDA

Mr. and Mrs. Harry Brown, Jackson Run road, have had word of the marriage of Miss May Brown and their son, Pfc. George A. Brown, in a pretty ceremony performed in the Presbyterian church of Sebring, Fla., on February 18.

The bride is the daughter of Lt. and Mrs. N. L. Brown, formerly of Norfolk, Va., and now of Sebring, and Lt. Brown acted as best man for the rite.

A reception followed at the bride's home, where a miniature bride couple topped a pretty tiered wedding cake centering an attractive bride's table.

Mrs. Brown is a graduate of Pozouson, Va., high school and Pfc. Brown is stationed at Sebring. They will make their home there for the present.

### Part 6

At planting time, a good victory gardener has to combine the characteristics of the weather prophet, the sage and the gambler to consign his seeds to the ground with any assurance they will grow.

Some crops may be planted before the danger of frost is past. Others, pole beans, for instance, are killed by the slightest frost.

Among the first crops to go into the ground are radishes, carrots, parsnips, onions, beets and turnips. Don't plant tomatoes, potatoes, beans, and pepper plants until you are sure there will be no more cold weather. Consult your seedsman or catalog if you are in doubt about the hardiness of a crop.

In planting, first be sure the ground has been raked until there are no clods and no air pockets. Some gardeners soak the ground after it has been raked. Then a weed crop begins to grow. This is heeded and then the garden seeds are planted, which gives them a good start before the next weed crop appears.

To lay out garden rows obtain a string as long as the rows are to be. Run the string in a straight line down the south or the east side of the garden between stakes. This is your first row. Besides improving the appearance of a garden, neatly spaced and lined rows make cultivation and irrigation simpler.

Tie the string tautly between the two stakes and make a small furrow beside it, using the end of a hoe or a long stout stick. This is the furrow in which the seeds are planted. Bean and pea seeds should be spaced as the plants are to stand in the rows; they need not be thinned. Small seeds like carrots, collards, onions, parsnips, spinach and turnips should be sown about three times as thick as they will stand. They are thinned when they be-

After the seeds have been planted cover them carefully and firm the soil over them. Then sprinkle with a sprinkling can. Whenever you are in doubt about the culture of any plant consult your seedsman who can give you special instructions for your locality.

## Bible Supper Club Meeting Is Interesting

A new series of supper meetings was launched at the YMCA last evening by the Boys Bible Supper Club, the interest and enthusiasm promising a successful 8-session program. The supper meeting will be held weekly through March and April.

The spiritual purpose of the series, announced by General Secretary Ralph Wagner who is in charge, is "to get acquainted with some of the most interesting leaders of the New Testament". Mr. Wagner spoke this week about the character and experiences of John Mark.

Some friendly rivalry and competition is provided by the division of the club into two teams, one of them captained by Dean Blair and the other by Roger Babcock. Assisting Mr. Wagner in the club program and serving as coaches to the teams are James Richards, for Blair's team, and Jack Lesser for Babcock's team. Between now and next Monday, when supper reservations will be due, the teams are putting on a drive for new team members.

## Armour Ideas Make the Most of Meat

## New! Spaghetti with Armour's Star Sausage Balls

Here's a flavorful, filling new dinner with Armour's Star Pork Sausage, that takes just 1 lb. of meat to serve 4 people—a real meat-point bargain!

When ordering your meat, be sure to ask for Armour's Star Pork Sausage. It's made fresh daily of pure pork... tender and delicately seasoned to give you the finest flavor enjoyment!

Shape 1 lb. of Star Pure Pork Sausage into small round balls and fry slowly. Brown 1 cup sliced mushrooms and ½ clove minced garlic in 3 tablespoons sausage drippings. Blend in 3 tablespoons flour. Add 3 cups

Armour's Tomato Juice gradually and stir until thick. Add 4 teaspoons Worcestershire Sauce, ¼ teaspoon salt and ¼ teaspoon pepper. Add sausage balls. Cook ½ hour. Add ½ cup chopped green pepper the last 5 minutes of cooking time. Cook 8 oz. spaghetti in boiling salted water. To serve, combine spaghetti and sauce and arrange balls on top as shown in illustration.

This is a new variation of that old favorite—spaghetti and meat balls. More flavorful, so try it.

## Stamp News

**RUSSIA** continues to make news in the stamp world as well as on the battlefronts of Europe. Latest of the Soviet Union's stamp issues to reach this country are two stamps honoring the Russian poet R. Mayakowski on his 50th birthday and a new four-value set honoring the Young Communist Union is promised in the near future. The Red Army shares some of the tribute paid Mayakowski on the 30-kopek orange and 60-kopek blue stamps issued in his honor, for in addition to his portrait tanks and planes also are depicted on the stamps and both bear an inscription possibly written by Mayakowski, which according to J. and H. Stolorow of New York reads:

"The Heart is our Republic Coupled with the Army our strength Nothing in this world counts higher than Honor The Red Army is our Strength The Red Army is our Honor."

Also illustrated here is the three-ruble dark green stamp portraying the Marshal Stalin Star medal, recently issued by Russia. And speaking of medals, the medal of the Order of General Alexander Suvorov, recently conferred by Marshal Joseph Stalin on American Gen. Dwight D. Eisenhower, is pictured on Russia's 10-ruble olive green stamp issued late last year and described and illustrated in this column at that time.

**AFGHANISTAN'S** 24th anniversary of independence has been marked by a 1.25 rupee blue stamp which pictures Mohammed Nadir Shah, ruler of the Asiatic country since 1929, and Kabul's Independence Monument. Several previous anniversaries of Afghanistan's independence, gained in 1918, have also been marked with postal issues.

**ILLUSTRATED** here is one of three Italian stamps which have been overprinted by the Allied Military Government for use in occupied parts of Italy. China has issued seven new postage due stamps with a new design. Printed in Chungking, the values are 10, 20, 40, 50 and 60 cents and one and two dollars. Egypt's 5-mills airmail stamp has been reprinted by photogravure process in copper brown color to replace the former lithographed deep brown and black issue.

**SOUTH AMERICAN** notes: Uruguay has overprinted its seven triangular parcel post stamps of 1929 with the inscription "Ano 1943" to make these stamps valid for regular postage use. Ecuador is reported to be preparing airmail and postage stamps having a face value of 11.30 sucres to mark the centenary of the historic Federico Gonzales Suarez. New stamps coincident with Paraguay's change in its currency from pesos to guarani are expected. One guarani equals 100 pesos.

## Final Figures On Fourth War Loan Campaign Compile

Final figures for the Fourth War Loan Campaign, showing War Bond purchases in Warren County, have been received today by the Warren County War Finance Committee from State Headquarters. Once again Warren County can be proud of its home front activity in financing the equipment which we provide for our boys on the fighting line. The most remarkable feature is in the fact that there were 33,106 "E" Bond purchases, far more than in any previous campaign, reaching a total of \$961,575.00, or 120% of the quota assigned here. In addition, the Government's objective of sales to individuals was accomplished here, with total individual sales of \$1,556,000.00 or 103% of the individual quota of \$1,510,000.00. The over-all showing was best of all in the percentage of quota, reaching a total of \$4,322,611.00 in purchases of all bonds during the campaign, and making 129% of our quota of \$3,354,400.00. According to figures received for the entire Commonwealth of Pennsylvania, Warren County's over-all accomplishment ranks this County in fifth place out of the 67 counties in Pennsylvania in percentage of total quota attained.

The success of the Fourth War Loan Campaign is attributable to the work of some 800 volunteer workers throughout Warren Borough and Warren County, who called on their friends and neighbors in the offices, industries, homes, highways and by-ways, and who obviously met with a sincere response from those thousands of bond buyers.

The particular credit for personal solicitation of large numbers of people goes to the Warren Borough Committee of nearly 300 block leaders, headed by Mrs. P. L. Davis; the North Warren Committee of Henry Ledebur; the County Committee including smaller towns, and headed by L. Rasmussen; and the rural districts under the direction of St. Lawrence, which were organized more completely than ever before.

The general chairman for Fourth War Loan was M. H. DeDorff, who was assisted by R. Mackay, H. W. Conarro and D. Smith as vice-chairmen, and following committee chairman: Publicity, C. A. Pettibone; Corporations, J. L. Blair; Industry, W. E. Yeager; Banking and Investment, R. W. Mackay; Business and Professional, N. D. Ferson and Mrs. E. G. Hamill; Borough Schools, John G. Raman; County Schools, H. L. Blum; Life Underwriters, H. C. Schmitt; Clubs and Lodges, Walter K. Speakers, H. D. Harris. In addition, the following County District Leaders acted as liaison workers between the County Finance Committee and the workers in the field: Robert W. Baldwin, Sugar Grove; Lyle R. Briggs, Tidioute; A. W. Goal, Clarendon; H. M. Youngsville; R. B. Leonard, Youngsville; C. R. McNeal, Sheffield.

The names of all borough and county solicitors have been published previously in the Times Mirror, and it is a foregone conclusion that these experienced workers, with the numerous committee chairmen who have assumed responsibility for the Fourth War Loan and previous campaigns, will all be ready again to tackle another job when the Fifth War Loan comes along. It is recognized by the District Headquarters in Pittsburgh and State Headquarters in Philadelphia that Warren County can always be depended upon as one of the leaders in Pennsylvania.

The Germans are said to be best sort of prisoners for rough work as they mainly busy fellows who swing an axe and do good work. The Italian prisoners are used mainly in agricultural pursuits as they are better adapted for farming and similar work. The coming of the group is awaited with much interest in this section as the announcement has caused much commotion in the sections where the camps are located.

## German War Prisoners Will Be Brought To Sheffield For Work In Wood Lands There

During the past few weeks much discussion has been heard in this section relative to the use of German war prisoners in the woodlands of the vicinity where pulp wood, chemical wood and mine props are being cut with a small snattering of larger timber. Efforts to secure local help have proved unavailing and the men of the Manpower Commission offices in this section were unable to fill orders for help.

Finally an effort was made to secure German war prisoners as they have been at work in several parts of the country with success. They are paid the sum of 80 cents per day for this work and the remainder of the sum paid the men goes to the United States Treasury. Prevailing wages in the district where the men work are paid.

In the proposition made for the use of prisoners it was suggested that abandoned CCC camps in the section be used. There are several of these camps that are not now in use, one at Red Bridge near Kinzua, is being used to house conscientious objectors, where the men "who do not choose to fight" live the life of Riley. The camp at Bull Hill and one near Marienville and one at Durling are available. Camp N-17 on Bull Hill has during the past few days been put in good shape, the water pumps tested and the electrical appliances given inspection. The camp is ready for use.

Thirty boys and young men were guests of members of the Warren Kiwanis club at the annual father and son dinner and meeting at the Carver Hotel Wednesday afternoon, which proved one of the most delightful parties enjoyed by the organization for some time. During the serving of the delicious dinner the young guests were presented with comic books and chocolate bars after which they were welcomed by President Carl Peterson and visitors were introduced, including J. L. Gilliland, president of the Oil City club, Al Kirber, manager of the local Woolworth store, Gunners Mate 3/c Robert Eck, who is visiting relatives and friends at North Warren, and Dudley King, sports editor of the "Home Front News" published for men and women in the service by the club. Dr. J. R. Elliot announced the speaker next week will be the Rev. P. M. Osborne, of Port Allegany.

The Rev. Harold Knappenberger, in charge of the program, introduced the Rev. Martin Hamlin, pastor of the Calvary Baptist church, who delivered a most entertaining and inspiring address on the subject "The Making of a Man." Rev. Hamlin after reading a toast to fathers declared "too many parents are prone to depend upon the schools, state or other groups to help make men out of their boys, others depend upon the churches, but the place where boys develop into real men is in the home." He said "if the boys are not developing into men in the home, the state, schools, churches, service clubs or any other group will have a tough job accomplishing that important task." He insisted that the mightiest and most important factor in making a man is in the home. He reminded the fathers that they have the most important place with the boy, and the greatest responsibility in making that boy a man. "Fathers must set worthy examples," he reminded the men present, declaring "too many fail mostly in this responsibility all the way from infancy to manhood."

Many of the members had as guests boys "adopted" for the occasion. Those in attendance were as follows: Dudley King, Dr. W. E. Biddle, Roger Alan Burnett, C. S. Burnett, Charles Burnett, Jr., C. S. Burnett, Gail Bimber, E. B. Bimber, E. E. Sullivan, Jr., E. E. Sullivan, David Bevefino, J. H. Stewart, Donald Wood, F. A. Wood, David Spies, E. S. Briggs, David Winans, C. C. Winans, Ross Seavy, G. E. Seavy, John Sydney Claman, J. C. Claman, Edward Sager Lowery, Ed. C. Lowery, Fernando L. DeCarvalho, Z. M. DeCarvalho, Carlos DeCarvalho, Z. M. DeCarvalho, Bill Hunter, A. N. McCausland, Donald Ross, R. M. Ross, Kenneth Rickerson, G. H. Rickerson, Raymond S. Johnson, R. E. Johnson, L. G. Furman, Jr., Wayne Furman, John Kleshauser, F. E. Kleshauser, Fred Kleshauser, F. E. Kleshauser.

Bill Simonsen, Jr., W. R. Simonsen, Clyde Dallas Baker, H. D. Baker, Lyston Knappenberger, H. L. Knappenberger, John Wood, F. A. Wood, John Elliot, J. R. Elliot, Gail Ledebur, H. W. Ledebur, R. Peterson, C. W. Peterson, Dick Stone, P. E. Nelson, Gunners Mate 3/c Robert Eck, USN, Everett Stoke.

During the past few weeks much discussion has been heard in this section relative to the use of German war prisoners in the woodlands of the vicinity where pulp wood, chemical wood and mine props are being cut with a small snattering of larger timber. Efforts to secure local help have proved unavailing and the men of the Manpower Commission offices in this section were unable to fill orders for help.

## TIPS

### WHEN TRAVELING THESE DAYS

"I take just one bag in wartime"

**TIP #1** First of all, talk to your local Greyhound agent before you take any trip. He'll give you the full information you need to make the best use of wartime transportation.

**TIP #2** Plan your trip to avoid crowded periods such as holidays and mid-summer—it's better to go in early Spring or late Fall.

**TIP #3** Travel light—with only one bag, if possible. You'll save space as well as baggage handling.

**TIP #4** Make all arrangements and get your ticket in advance—and get to the terminal well ahead of departure time. You'll avoid last-minute confusion.

## North Warren To Dedicate Honor Roll

A new Honor Roll for North Warren, Conewango Township, District No. 1, has been secured and set up in the lawn of the School House. A dedication service will be held Sunday afternoon, March 12th, at 2:30, with Mrs. Flossie Landers—mother of four boys in service—unveiling the roll of service men and women. The service will be in charge of the Officers of the V. F. W., the V. F. W. Band, and a committee of the Civic Club with Donald Bogart, chairman.

It is urgently requested that the families of the service men and women from this community be present, and join with the residents and friends in this dedication service. In case of inclement weather, the service will be held in the North Warren Community House.

# SPORTS of all sorts

## Basketball Carnival To Get Under Way At YM Tonight

Tonight at 7:30 p. m., the basketball Carnival gets under way. Through the efforts of Nick Creola and Physical Director Bill Parmlee, of the YMCA, this show may become an annual affair and should attract one of the top sports attractions of the season to be held at the "Y".

In the first game, the Strong Indies team from Kane will stack up against the Irvine Forge outfit. Playing on the Indies will be such stellar performers as D. Mc-

guard positions. On the bench and ready for immediate action, will be Geigerich and Creola, both good men when the chips are down.

The second game of the evening, at 8:30 p. m., finds Struthers-Wells taking on the tough Corry All-Stars. The visitors boast an enviable record on the hardwood this season. Some time ago they came to Warren and defeated the O'Connor Machine Tool Co. team of Sheffield. This was the second time the teams had met and the second defeat for the Irish. Only as recently as last Saturday night they traveled to Erie to take the measure of the Erie Boys Club. In meeting and overcoming such opposition as this they are not a team to be lightly overlooked and may cause plenty of trouble in this affair.

"Rabbit" Swanson, proxy of the Struthers team will place a fairly strong lineup against the Corries. His starting lineup will be Bob Chase and Bill Bjers playing forwards, Bill Weidert at center, and Jiggs Bonavita and Bob Peterson at guards. Jack Flick, Ken Berdine, Paul Steinkamp and Allan Babcock, one of the up-and-coming younger players and a good long shot, Swanson has taken the team through several practice sessions this week and says they look good enough to take Corry over, although he still has to teach them that famed throw from second base he has made famous through the years.

There will be a slight increase in the admission prices but it will be low for the type of ball on display.

### WARREN-CRANBERRY

The champs of Warren High take on Cranberry High School, holders of the Class A title, at Oil City tomorrow night at 8:00 p. m.

The many fans who are following the team are reminded that there will be only one game and it will start promptly at the given hour.

The Blue and White charges have been through severe drills all week, under Henry Kolpein in preparation for this first game in the battle for the undisputed District 10 titleholder.

Mahon and Ted Weatherbee at forwards and Olson and White at guards, with J. Bauman at the center slot. In reserve they have Saines, and Shiofelt, both capable replacements.

The Forge will place on the floor Morrison and Mack at the forward spots, Dean Nelson at center and Johnny Pavik and Willard Zerbe will hold down the

### SPORT SHORTS

New York, March 9—(AP)—College basketball continued to pack them into Madison Square Garden during the 1943-44 season when 16 regularly scheduled doubleheaders drew a total of 250,324 fans, an average of 15,658 per game. Post-season tournaments are expected to boost the total by at least 100,000.

Chicago, March 9—(AP)—Marshall High school's junior basketball team's win streak of 98 games, dating back to 1933, was broken last night. The Commandos failed in a semi-final game of the city league playoffs, losing to Parker High, 40 to 35.

State College, March 9—(AP)—Leo Houck, veteran Penn State boxing coach, says Army and Coast Guard Academy are the teams to watch in the 21st annual eastern Intercollegiate Boxing Championship here Saturday. Houck, who has turned out seven championship teams and nearly 50 individual title holders in the last 20 years, says Penn State has been weakened by the transfer of navy trainees.

### THE FOX HUNT

One hundred men, and twenty more,  
Went out to hunt for foxes;  
Their hunting coats and caps they wore

And green and reddish soxes.  
They gathered on a Sunday morn  
When churches' bells were ringing.  
Their congregations all to warn—  
The hymns would soon be singing.

The hunters did not hunt for sport,  
Or not for sport exactly,  
But more to cut the foxes short,  
To put it fair, or fairly,  
They faced them forth into the hills

Where foxes are, a-plenty,  
All ready for a lot of kills,  
These hundred men and twenty.

As through the woods they thundered,  
Hulloing like a roaring storm;  
The farmers stood and wondered,  
Some barked like dogs, some

mooed like cows,  
Some bellowed loud as oxen,  
As crashing through the forest boughs

They sought to scare the foxes.  
But still with all the shouting line,  
And not a man that lagged,  
And hunting weather fair and fine

No single fox was bagged,  
For every fox for miles around  
That might have run the clear,  
So frightened by the mighty sound,  
Was paralyzed with fear.

## Sammy Angott Loses N.B.A. Lightweight Title To Mexican

By FRANK FRAWLEY  
Hollywood, March 9—(P)—Discouraged by a split decision loss to Luther "Sluggo" White here last summer and inability to get a lightweight championship bout, Juan Zurita returned to his native Mexico City, determined not to box in the United States again.

Today he holds the NBA title. He whipped the clever, rugged, and stout-hearted Sammy Angott of Washington, Pa., last night in Hollywood baseball park. It marked the first time in Sammy's long career that he had lost a fight at the lightweight limit.

But Sammy lost, and he lost by a wide margin. After the first round, when Zurita seemed puzzled by the titleholder's style of attack, the Mexican settled down, took the aggressive, and beat the Pennsylvania Italian to the punch through the next 14 rounds.

It was not an especially good fight. The 11,300 spectators clamored for more action and late in the contest Referee Mushy Callahan implored the fighters to speed up things. It was not Zurita's fault, however, that there were not more exchanges. Angott clinched after every lead, and in the infighting, where usually he excels, he came out second best.

Angott had some difficulty making the 135 pounds agreed upon and he looked somewhat drawn when he crawled through the ropes. Furthermore, he had been notified, only a few hours

before, that he must take his pre-induction physical examination, here today. His draft board has just reclassified his 1-A. He is married and has two children.

The gross for last night's outdoor fight was \$36,000, the net \$31,000. Angott was guaranteed \$17,500 and Zurita 17½ per cent of the net.

The williwaw is the name of a strong wind that sweeps through the Aleutian Islands.

Sgt. R. D. Johnson Is Missing In Action

Mr. and Mrs. Carl Johnson, 101 Dartmouth street, have a telegram from the War Department today informing them that their son, Sgt. Richard D. Johnson, is reported missing in action over Germany as of February 24. The last word had from "Dick" was a letter written in England on February 23, in which he informed his parents he had been honored with an Air Medal. This letter arrived last Thursday. Graduating in 1942 from the local high school, Sgt. Johnson enlisted and was inducted on October 27 of that year, being assigned to the Army Air Forces. After training in various air bases, he was qualified as an aerial gunner on a Flying Fortress and was sent overseas about Christmas time.

Knox Reports Victories For U. S. U-Boats

(From Page One) Such heavy damage to the enemy's shipping lines has been accomplished with steady regularity and only Tuesday Admiral Chester W. Nimitz, commander-in-chief of the Pacific fleet, commenting on the submarine campaign in the Pacific, said "I think it has taken such a heavy toll of their shipping that lack of shipping may soon be a controlling factor in what they are able to do." A recapitulation of the damage done Japanese shipping by our submarines shows: Definitely sunk, 477 craft of all types; probably sunk, 36; and damaged, 114. The totals for all types of action, including submarines, planes and surface ships, are 1,065 sunk, 107 probably sunk and 817 damaged.

German Broadcast Hints At Fourth American Strike

(From Page One) carved Allied airfield on Green island at the north tip of the Solomon Islands, pounded Rabaul with 55 tons of bombs, hit Kavieng, New Ireland, with 62 tons, and raked other targets throughout the Bismarck archipelago. In Burma, American forces under young Brig. Gen. Frank Merrill have killed 650 Japanese since Bombers on Monday knocked down 93 enemy planes for a full day's toll of 176. While five more escorting fighters fell yesterday than on Monday, the bomber loss was almost halved—from 38 to 19 of a force of possibly 850 to 1,000.

Bitter Fight Being Waged At Willaumez

(From Page One) they entered the Burma fight, against a loss of seven killed and 37 wounded. Lt. Gen. Joseph Stilwell said the enemy's casualties in the Hukawng valley, where Americans are fighting, have reached 2,309 killed. For the sixth time Japan's installations on Paramushiro on the northern Kurile islands were raided Sunday, Pacific fleet headquarters reported. Other planes dropped 31 tons of bombs on enemy bases in the eastern Marshalls Monday.

(From Page One) and six enemy craft were destroyed. It was announced meanwhile that the series of recent raids had caused heavy damage to the Ostense, Littorio and Tiburtina railways in Rome. Marauder crews, who delivered the latest attack, on Tuesday, said the yards were blanketed with debris and twisted wreckage of rolling stock and pocked with craters.

Girl Freed On Two Counts By Mercer Jury

(From Page One) death of Wilson's wife, Helen, 48, by strangling. Miss Graham was free under bond on a charge of being an accessory after the fact in the three slayings. The district attorney said he could not state immediately what disposition would now be made of the accessory charge. Trial of Wilson on the abducting witness charge probably will start next week, Moon said.

SOCIAL EVENTS

SPRING STYLE SHOW VERY SUCCESSFUL

The snowstorm in early evening and continued cold last night failed to keep at home those persons comprising the large audience which gathered in the high school auditorium to enjoy the spring style show planned and staged by the Stenographers Club. The general theme of the show was preparation of a trousseau for a bride in wartime, with "Mac" McCarthy and his music for a suitable background. Appreciation of the club for the untiring efforts of Mrs. S. M. McClure, faculty advisor and director, was expressed in the gift of roses presented by Frank Platerote.

### Paper By Dr. Cummins Before Science Club Thoughtful One

Those privileged to hear Dr. Frank Cummins' paper, "What Shall be America's Foreign Policy," at the March meeting of the Social Science Section, report it as a masterly review of problems inherent in our foreign policy; its past development, present trends and imperative basic realistic and permanently effective post-war foreign policy if the United States is to avoid the costly repetition of past errors.

Summing up, he stressed these essentials: 1. Post-war perpetuation of close association of the United States, Great Britain, the Soviet Union and China as a nucleus of world order strong and above challenge. 2. U. S. foreign policy must be based upon, protect and extend the principal of freedom in the world. 3. That U. S. foreign policy shall make adequate provision for international control over civil and military

### Foremen To See Training Film Monday

A foremen training film, produced by Pratt & Whitney, entitled "It's Our Job", will feature this month's regular supper meeting of the Warren Foremen's Club to be held at the Y. M. C. A. next Monday evening, beginning at 6:30 o'clock.

Another feature of the evening will be a musical program by "The Young Troubadours".

President Ray J. Ledebur will appoint the Nominations Committee, preparatory to the election of officers by the Board of Governors later in the month. Installation of new officers is scheduled for the April meeting.

Reservations for the supper are due in the "Y" office by tomorrow (Friday) night.

### HARMONICA RASCALS AT LIBRARY TUESDAY

Borrah Minnevitich, whose harmonica Rascals come to the Library theatre on Tuesday, March 14, afternoon and evening, has parlayed a childhood ambition into a brilliant career.

Borrah came to this country at the age of five and for the next nine years sold newspapers to the tune of his harmonica. At fifteen, he entered the College of the City of New York, working his way through at all kinds of odd jobs. Some part of every day, though, he managed to devote to his harmonica. During his stay at City College he wrote a thesis on the History of the Harmonica which was published by a leading manufacturer of those instruments.

In 1926 Borrah organized his first professional group of harmonica rascals. Since that time, that name has stood for great entertainment and musical accomplishment. The Rascals have played all over the United States and in many other countries. They have been feted and acclaimed the world over and have made the nation Harmonica-conscious as a result of their appearances on radio, stage and screen.

The Harmonica Rascals have developed great comic personalities in addition to fine musicians. At present the Rascals are featuring Sammy Ross, 33, inch mid-get and 350 pound William John McBride.

LARDIE, DEAR, I'VE BEEN AN AWFUL OLD SILLY--AND IF YOU'RE NOT DOING ANYTHING TONIGHT, I'D--

IT'S HILDA-- AND I'VE GOT HER EATING OUT OF MY HAND!

WELL, BE HARD TO GET!

I GUESS YOU'RE RIGHT! SHE WANTS TO SEE ME AT SEVEN--THIRTY!

TELL HER, YOU'RE GONNA BE BUSY!

SORRY, HILDA-- BUT I'M GONNA BE BUSY! I WON'T BE ABLE TO GET THERE UNTIL SEVEN-FORTY-FIVE!

WASH TUBBS

By LESLIE TURNER

IF YOU WON'T BE QUIET, WE MUST TIE YOU, SELANGA!

KIDNAPER! JAPANESE SPY!

GULAWUGGA! STOP! WHAT ARE YOU DOING TO MY NIECE?

SO SORRY, WEBAW! WE DO THIS BECAUSE WE HEAR THAT YOU HELP ENEMIES OF JAPAN!

BUT SELANGA HAD NOTHING TO DO WITH THAT!

NEVERTHELESS, SHE WILL BE A HOSTAGE OF THE IMPERIAL JAPANESE ARMY UNTIL YOU CHANGE SIDES, WEBAW!

DO NOT HARM HER! I WILL DO ANYTHING TO PROTECT HER!

ALLEY OOP

By V. T. HAMLIN

MORE HAY, YOU GORILLA DATS! KEEP MOVIN'!

SAY, OOP FOOTY SAYS DINNY OUGHTA BE STRONG ENOUGH TO COME OUT NOW-- HE'S ET ENOUGH FOR THREE DINOSAURS!

OKAY, CHUM, I'LL TAKE CARE OF IT RIGHT AWAY!

HIS RECOVERY HAS BEEN REMARKABLY RAPID!

WELL, DINNY, LET'S GET OUTA THIS PLACE-- C'MON, UPON YOUR FEET!

ALTHOUGH HIS COLOR'S ABOUT THAT OF CHALK, I THINK HE'S STRONG ENOUGH TO WALK!

HEY, LOOK! MY OL' STEED IS UP AN' HITTING ON ALL SIX AGAIN!

DANG IT, I WISH I COULD REVERSE WHAT IT IS I FORGOT!

RED RYDER

By FRED HARMON

RED RYDER GALLOPS INTO THE RANCH WITH LITTLE BEAVER'S SURPRISE GIFT!

SHH, I'VE GOT IT! WHERE'S LITTLE BEAVER, DUCHESS?

IN BED WHERE YOU SHOULD BE! IT'S NINE O'CLOCK!

GEE WHIZ-- ASLEEP! AND I WANTED HIM TO SEE IT!

HE CAN WAIT TILL MORNIN'-- SO CAN YOU!
